Members:

Welcome to spring time in North Central Idaho. May 14th will be our first public ride for this year. It looks like the weather will be perfect for all of our ATV/UTV enthusiasts. Registration will be from 8 a.m. - 10 a.m. We will have chili at the end of the ride along with a money drawing. We hope to see all of you, your family and friends. Several club members and friends have worked diligently to be sure the trail is ready for the Fun Run. Thanks go out to Shannon Schrader and all of your crew for an amazing job. If I start naming all of you I know I'll miss someone and that's just not something I want to do.

For this newsletter I'm going to dispense from including the meeting minutes from the months of January through April so that I can share with all of you the Rally & ATV/UTV Fun Run information.

Our meetings to date have been filled with guest speakers such as Tim Lewis, Nez Perce/Clearwater Forest Service, Andrew Skowlund, North Fork District Ranger, Brandon Knapton, Lochsa District Ranger, Kaitlyn Howisey, NezPerce/Clearwater Forest Range/Weeds Specialist, Sam Martin, Army Corps of Engineers & Clearwater County Sheriff Chris Goetz. Guest speakers have been very informative regarding the areas in which we all recreate.

As with most organizations we have a group of members who, almost without fail, attend our monthly meetings. President Rick Winkel would like to encourage all of you to attend our meetings, share your thoughts regarding what you would like to see P.L.A.Y. accomplish in the future plus simply just get to know you better.

As always if you have any questions regarding P.L.A.Y., our activities, trail systems, where you can ride your specific machine or some of either the proposed or passed ATV/UTV laws, please either send an email to the address above, check out our website, call me at the phone number listed above or even better, join us at a meeting.
